

HER MAJESTY THE QUEEN, on behalf of the Kingdom of United Counties and the Rabian People, do hereby send festive greetings to the President and People of the Nation of Terrexa. Independence Day marks the success of the great Terrexan people in the struggle of striving for independence and freedom. It is also a symbol of the common values we share. As recognising Terrexa as one of our firmest allies, we will continue to stand by the people of Terrexa in every challenge about to come.

Finally, we hope that the mighty and everlasting friendship between us will grow continuously and we wish you a prosperous and promising future.

*Katregande Palace,
30 March 2019*
