

Territories and Standardisation of Time Act

2019 Cap 15

Made 24 March 2019
Coming into force 1 April 2019

This is a verified English version. According to the *Government Instruments Act 2009 Cap 14*, verified version of a statutory instrument should be gazetted in the *Blakehall Gazette* promptly.

According to the *Official Languages Act 2012 Cap 1*, English version is the sole authoritative version of all statutory instruments. In the event of discrepancy and inconsistency, the English version of this Act prevails.

C	Map of Time Zones

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Section I

Preliminary

1. Title, citation and jurisdiction

- (1) ***Territories or Claimed Territory*** means the claimed territory with permanent population of Rabian citizens prescribed in this Act, and protected by the Constitution clauses therewith.
- (2) ***Time Zone*** means a time zone is a region that has a uniform standard time for legal, commercial, and social purposes.
- (3) ***Governmental organisation*** means an agency or organisation under the jurisdiction of Her Majesty's Government.
- (4) This Act can be cited as the *Territories and Standardisation of Time Act* or *Territories and Time Act*.
- (5) This Act is enacted in order to regulate the range of the claimed territory of the Kingdom, and to standardise the use of time for the convenience of citizens.

Section II

Claimed Territory

2. Claimed Territory

- (1) It is the responsibility of the Kingdom to safeguard the claimed territory as illustrated in *Schedule A and B* and the permanent population of Rabian citizens.
- (2) The Kingdom recognises the *status quo* that most of the Claimed Territory are under the administration of other nations.

[cf. §3, *Constitution, 2017 Cap 0*]

3. Responsible governmental organisations

- (1) It is the responsibility of the Armed Forces of Rabbistan under the Command of the Monarch, to safeguard the Claimed Territory and citizens.
- (2) The Ordnance Survey subordinated to the KUC Statistics Authority is designated to perform geographical mapping activities and operate surveying of the Territory.

Section III

Standardisation of Time

4. Arrangement of Time Zones

- (1) Time Zones System of the Kingdom shall constitute seven zones, which are:
- a) Californian (CT), used in the claimed territory within the State of California of the United States,
 - b) Atlantic (AT), used in the claimed territory within the States on the East Coast of the United States,
 - c) British (BT), used in the claimed territory within the United Kingdom,
 - d) Indian (BS), used in the claimed territory within India,
 - e) Pakistani (PT), used in the claimed territory within Pakistan,
 - f) Oriental (OT), used in the claimed territory within China including Hong Kong, and
 - g) Zealanderian (ZT), used in the claimed territory within New Zealand, as prescribed in *Schedule B and C*.
